WOOD PILE CAUSES ARREST

Pheasants Scarce at Corvallis—Auto Causes Damage at Albany—Other State News.

Wilbur, Ore., Oct. 6.—Ten thousand acres of land comprising what is known as the Canas Swale country, lying east of the S. P. railroad track, between the Calapooia and Wilbur, is shortly to be placed under irrigation by water from the above-mentioned stream. A trio of local capitalists, who filed articles of incorporation in the county clerk's office in Roseburg Friday evening, are at the head of the venture. The three men are: F. J. Blakeley, who is interested in this county; A. E. Caton, a stockholder in the Oakland bank, and F. B. Walte, who owns 4000 acres of land in the Swale district. The new organization takes the name of the Calapooia Investment Company, the capital stock is \$50,000, and the officers are: F. J. Blakeley, president; F. B. Walte, vice-president; A. E. Caton, secretary; Lynn Caton, treasurer.

The company has purchased or acquired options on 4000 acres in the Swale district, besides the property owned by Mr. Walte. As soon as irrigation is under way the company will place the property on the market.

Wood in Alley Causes Arrest.

Salem, Ore., Oct. 6.—In order to carry out the instructions of the city council, Street Commissioner H. C. Tarpley yesterday afternoon swore out a complaint before Recorder Judah charging George F. Rogers, of this city, with violating section 9 of the city ordinance by blocking a certain alley with a pile of wood. Mr. Rogers was served with a warrant but was allowed to go upon his own recognizance until 2 o'clock this afternoon when the case will be heard in the city recorder's court.

China Pheasants Scarce.

Corvallis, Ore., Oct. 6.—There is general complaint among hunters concerning the scarcity of China pheasants this season. It is thought that there has been hunting going on quietly for the past two months, regardless of the law, which probably accounts for the scarcity of the Oregon hunter's favorite game.

Auto Causes Damage.

Albany, Ore., Oct. 6.—S. H. McMurry, of Lebanon, yesterday came to Albany to place in the hands of Weatherford & Wyatt a claim for damages against the drivers of an automobile that on Saturday evening frightened his team and caused some damage. His two sons, while driving home, met the machine of G. H. Bruckman, of this city. The horses overturned the buggy, throwing the boys into the ditch. One of them was badly bruised, the other insensible and the buggy shattered.

Salmon Trolling at Newport.

Albany, Ore., Oct. 6.—At Newport the silverside salmon have commenced to run, and trolling for them began yesterday. A number of people who have been waiting for the salmon run will go to the bay now to enjoy the annual fishing at Yaquina. Some of them expect to start for Newport today.

The cannery at Yaquina started up yesterday for the fall run and considerable quantities of fish were delivered by the bay fishermen. At Astoria the canneries have started and one

APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain, as long as possible, ones youthful appearance.

It is impossible to do this without retaining a luxurious growth of hair. The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness. Newber's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use. Herpicide makes an elegant hair dressing as well as Dandruff cure. Accept no substitute—there is none. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. Eagle Drug Store, 351-353 Bond St., Owl Drug Store, 549 Corn. St., T. To Exhibit Blue River Ores.

Eugene, Ore., Oct. 6.—D. H. Weyant, the official collector of mineral exhibits for the Lewis and Clark exposition, arrived in Eugene this afternoon and will meet with the Commercial club tonight, at which time the matter of gathering an exhibit of ores from the Blue river mines will be discussed and a committee appointed to look after the work of collecting it.

Seek Local Option.

Baker City, Ore., Oct. 6.—As the time for election approaches, some little interest is being evinced in the prohibition question in Baker county. The friends of local option have for several weeks been industriously circulating petitions to enforce the law in Baker county with the exception of Sumpter and all that part of Baker City outside of South Baker. It has been the idea of the leaders that by cutting out Baker City they could carry local option to the rest of the county. Yesterday two of these petitions were filed with County Clerk A. B. Combs; one from the precinct of Unity and the other from Haines.

Glee Club Prospers.

Eugene, Ore., Oct. 6.—The affairs of the University Glee Club are shaping themselves better this fall than for some time past.

The club will meet for practice this week and hopes to be in first-class shape for the Thanksgiving concert. Arrangements for touring a section of the state during the Christmas holidays are to be made at once. It is likely that Eastern Oregon will be the territory to be covered by the tour. The Glee Club will again be assisted by the University Mandolin Club, which was organized year before last.

Football Teams to Meet.

Salem, Ore., Oct. 6.—Manager Miller of the Willamette University football team has succeeded in arranging for a game with the University of Oregon. The game will be played in Eugene on October 15.

As this is to be one of the most important games of the season, the management had hoped to schedule it at least two weeks later and give Coach Bishop a better chance to develop some faster team work. As it is, the local team will be greatly handicapped.

Killed Deer, Broke Stage.

Eugene, Ore., Oct. 6.—Sheriff Fred Fisk and Chief of Police Gilbert have returned from their hunting trip up the McKenzie, and as trophies of their marksmanship six deer scalps dangled at their belts. These two heavyweights started home on the stage, but their own overconfidence coupled with the weight of their success, broke down the stage and a telephone message to Eugene from Waltherville brought them a rig in which to make the rest of the trip.

INDIAN KILLS TWO WHITES.

Indian Territory Tragedy Said to Have Been Caused by Drink.

Muskogee, I. T., Oct. 6.—Jack Ellis and Walter Reidy, living near Hooldenville, I. T., have been shot and killed at their respective homes by Billy Fixcat, a full-blooded Indian. The weapon used was a shotgun. Fixcat is said to have been intoxicated. Deputy United States marshals have gone to the scene of the tragedy.
